Dear President Hoffman:

This is to confirm my 13 November 1978 telephone conversation with Ms. Mary Ann Shallberg.

Admiral Turner is looking forward to meeting with you and several other university presidents and leaders of the American academic community, on 15 February 1979, for a free-flowing exchange of ideas on academic-intelligence relationships. This meeting will also provide an opportunity for you to visit our CIA Headquarters facility and meet with a variety of Agency officers representing diverse interests and disciplines.

I will be getting in touch with you in January to make final arrangements. If you have any questions, I will be glad to discuss them with you. I can be reached on 703-351-7848.

Yours sincerely,

STATINTL

Associate Coordinator for
Academic Relations and
